## Additional Information

- All participants (or their parents, for participants under 18) will need to sign a waiver. Directions and copies of the waiver can be emailed to you upon request.
- Only participants in the circus/aerials class are allowed on the studio floor. All family members & guests must remain in the Observation Area during the class. No one is allowed on the studio floor at this time (except to use the restroom).
- Please inform party participants: No dresses / tights / jeans / jewelry; circus class participants will be working barefoot.
- Please understand that this agreement does not constitute a rental of our space, but rather an activity at our facility. There will, most likely, be other classes happening during your event.
